

Assessing Training Effectiveness Using Sentiments Analysis

Anurag Seksaria – 27th June 2021

Ratings	Backgrou	Experience	Train Feedback
5	Eng	Fresh	B The project work was helpful in understanding the concepts. We tried to work on a real-life problem and relate it to the subject learnings. Sir was very patient with us, as it took us time to get a hang of what the subject actually is
5	Eng	Exp	B Even in this online mode too, the instructor made sure all the queries are met and kept the class engaging and interactive
4	Eng	Fresh	A The course was interesting and essential. Daily/exercise problems after each class could have been beneficial for practicing.
4	Eng	Exp	A His calm and composed nature delivered a positive vibe in the class. Sir also explained concepts in-depth with all the necessary examples. He engaged in breakout room activities which were also very value-adding.
5	Eng	Fresh	A His readings and style of teaching were great. I admire him for encouraging us to make us go through different topics every now and then. Also, he encouraged doubts and covered every concept.
5	Eng	Exp	A Really good sessions, most of the classes were example-based and applications of the concept.
5	Eng	Fresh	A This course has been the best one of the term, simply because of the amazing professor. The professor knew how to explain, decode, and convey the knowledge across the class, bringing everyone in the loop. The constant engagement in terms of small activities in the class has
4	Eng	Exp	A The pedagogy was very good and helped us by clearing all our doubts.
5	Eng	Fresh	A Great teaching method used by the instructor. However, some part of the learning was affected due to the online mode. Overall good feedback, though.
5	Non Eng	Exp	A Lectures provided clarity in explaining concepts and professor maintained two-way communication during lectures
5	Non Eng	Fresh	A Discussions and examples were discussed in depth. Helped in clarifying all the concepts
5	Eng	Exp	A He has not explained the subject well with concepts and relevance of operations research
5	Eng	Fresh	A Understanding and taught very well the concepts and try to answer the queries
5	Eng	Exp	A The pedagogy is a combination of practical as well as the theoretical approach
4	Eng	Fresh	A Biplab Sir would have been better if Sir had shared his notes
5	Eng	Exp	B Adequate problems were solved and helped in understanding the subject a lot.
5	Non Eng	Fresh	B Sir is extremely helpful and sweet. He taught such a complex subject with ease. There used to be an atmosphere of serenity in his classes and he taught us to apply learnings such as linear programming in real-life which I felt was really awesome
5	Non Eng	Exp	B Extremely well planned and explained course with theoretical and practical inputs
5	Non Eng	Fresh	B The instructor was very good. Encouraged asking queries and provided an environment to brainstorm. Made the course really interesting.
5	Non Eng	Exp	B Sir did a lot of exercises in class, which was very helpful for me and also provided sufficient material too.
5	Non Eng	Fresh	B One of the finest instructors who covered all the topics with great lucidity. I learned a lot in this course.
5	Eng	Exp	A Amazing subject, an amazing professor. Loved the "beyond the subject" practical insights that someone with such rich industry experience brings into the picture. Genuinely cared about active class participation, incorporated feedback input, and query resolution. Very classy.
5	Eng	Fresh	A Knowledge of the teacher is amazing. He puts in real effort to teach in every class and places the emphasis on learning for life and not just for exams. Kudos to you sir. Keep up the great work.
5	Eng	Exp	A The course was very important. Learned a lot.
5	Eng	Fresh	B The subject was taught very well by the professor.
5	Eng	Exp	B The course and the professor was brilliant in every sense
3	Non Eng	Fresh	B Very good instructor. A lot of real-life examples, and an excellent way of teaching.
4	Eng	Exp	B Sir has taught the concept in class very clearly; he makes sure we are attentive in class
5	Non Eng	Fresh	A Good teaching style, focus on clearing concepts and techniques, patient while listening and answering queries.
5	Eng	Exp	A He is a really nice prof., would be good to have him again in coming terms.
5	Non Eng	Fresh	A It was a really good course with relevance to real life. The topics were really good.
